Re: Lenz Oil Superfund Site

Dear Mr. Bielawski:

The purpose of this letter is to notify you that U.S. EPA and IEPA comments for the Lenz Oil feasibility study will be issued around the end of the month. I am coping this letter to David Edwards at ERM-North Central so that he may plan his workload and support staff accordingly.

Sincerely,

A handwritten signature in dark ink, appearing to read "Cindy J. Nolan", is written over a circular stamp.
